HOLIDAY ACTIVITIES AND FOOD (HAF) PROGRAMME

We would like to provide you with some information on this summer's Holiday Activities and Food (HAF) Programme.

Funded by the Department for Education, the HAF programme enables local authorities to offer healthy food and enriching activities for free to children who receive benefit related FSM during term time.

There will be around 18 HAF schemes running across, or close to, the Hart and Rushmoor areas, with each scheme offering a variety of fun activities and tasty meals for children and young people who receive benefit-related free school meals (FSM).

For summer 2026, a new central booking system has been introduced, which will make it easier for families to find and book HAF activities. The new system includes built-in eligibility checking, so parents / carers no longer need to use the previously issued HAF codes when making bookings.

Families in Hart can visit the Hart HAF Booking Site to find local schemes and register their interest, whilst families in Rushmoor can visit the Rushmoor HAF Booking Site. Once registered, parents/carers will be sent an automatic email reminder to complete their booking when summer bookings open at 9am on Monday 22nd June 2026.

HAF FAQs are available on the connect4communities website: Hampshire Holiday Activities and Food (HAF) frequently asked questions | Health and social care | Hampshire County Council

The HAF team can be contacted with any queries by emailing connect4communities@hants.gov.uk, with the subject line FAO HAF.

RECEPTION

We've had a fantastic week in Reception with lots of exciting learning and new experiences!
This week we harvested our potatoes that we have been growing as part of our school potato competition. We were so excited to dig them up and discover what had been growing beneath the soil! We explored the potatoes by counting, weighing and comparing them, talking about which were the biggest, smallest, heaviest and lightest. We also noticed that not all potatoes look the same. Some had some very unusual and funny shapes! We even used some of our harvested potatoes to make our very own chips! It was a wonderful opportunity to see how food grows and how it gets from the ground to our plates.

We have read the book ‘Someone Swallowed Stanley’, which has encouraged us to think carefully about looking after our oceans and reducing plastic waste. Inspired by our book, we made beautiful kites using recycled plastic bags, discovering how everyday items can be reused in creative ways instead of being thrown away.

In maths, we have been practising our recall of number bonds to 5 and 10. We have also been focusing on comparing quantities up to 10. We have been growing confidence when describing the groups (more, fewer, or equal).

The children have enjoyed a successful transition morning this week as they met their new teachers and spent time in their new classrooms. We have had many circle times exploring our feelings and change. We are all very proud of them!

YEAR 1

What a busy week we have had in Year 1, even though it has been a short one!
This week, we dug up the potatoes we have been growing and compared our harvests to see which class had grown the biggest crop. The children loved investigating the potatoes and celebrating all of their hard work in caring for them.
We were also very excited to meet our new class teachers and find out who our classmates will be next year. The children approached this change with enthusiasm and enjoyed spending some time in their new classrooms.

In English, we have been exploring the rainforest and using our knowledge to write our own rainforest poems. The children used some wonderful descriptive language to bring their poems to life.
In maths, we have been recapping our addition skills and solving number sentences. The children have worked hard to apply their number knowledge and explain their thinking.
In RE, we have been learning about special objects that are important to Jewish and Christian people. We discussed why these objects are significant and what they can tell us about different faiths.
Well done to all the children for another fantastic week of learning. We hope you have a lovely weekend!

YEAR 2

We have had another busy, enjoyable week in Year 2 and thankfully it has been a lot cooler!

In maths, the children have been consolidating their understanding of **word problems**. We have been using **RUCSAC** to help us carefully read questions, identify the important information and decide which **operation** we need to use to solve the problem. The children have shown increasing confidence in explaining their mathematical reasoning.

In English, we have been writing our own poems about **flying vehicles**. The children have worked hard to make their writing more exciting by including a range of **verbs and adverbs.** We have loved reading the imaginative ideas and descriptive language that have been used.

In history, we have been learning about how the **safety of airplanes has changed over time.** The children explored how improvements in technology, equipment and procedures have helped make air travel much safer than it was in the past.

In DT, the children have been putting their designs into action by creating their own **moving vehicles**. Using **cardboard boxes, dowel and wheels**, they have worked carefully to build and test their models. It has been wonderful to see their creativity and problem-solving skills in action.

The children have been working incredibly hard rehearsing for our **end-of-year play**. We are so proud of their enthusiasm and effort. Please continue to **practise lines at home** so that they are ready to wow you all and maybe shed a tear!

Reminders

- **Thursday 9th** - Please bring Year 2 performance costumes into school. Most children will be wearing **holiday-goer outfits** for the production. If you are unsure about your child's costume, please check with your class teacher.

- A reminder that next week's **Beyond the Gate** sessions are:
  - **Kingfisher Class – Wednesday 8th**
  - **Woodpecker Class – Friday 10th**

BEYOND THE GATE + ECO SCHOOLS

Year Two Leavers Beyond the Gate Days

As part of their leavers celebrations, Year 2 will be having a whole day Beyond the Gate session on the following dates:

Wednesday 8th July – Kingfisher class
Friday 10th July – Woodpecker class
Wednesday 15th July – Owl class
Friday 17th July – Robin class

Volunteers

The sign up link for Beyond the Gate sessions for next half term is now active: volunteersignup.org/9MM99
There are still plenty of slots, so if you are unable to make your own child's session, perhaps volunteer with another class or year group! If we do not get enough volunteers, sessions may need to be cancelled.

Blog

Take a look at the Beyond the Gate Blog on our website, which is updated regularly to share the amazing experiences and opportunities the children have in their sessions.
Tweseldown Infant School - Beyond the Gate Blog

Attenborough Avenue

On our INSET day, some of our lovely members of staff helped turn the top of Year 1's pallet minibeast habitat into a planter.
Today, the Year 1 Eco Committee children planted some lovely pollinator-friendly flowers in it. With Mrs Dear they discussed why it was important for us to plant flowers near the bug habitats.

Attenborough Avenue is looking AMAZING and we look forward to seeing what species make their homes there. Every year group has contributed to the creation of this area, Well Done!

Make sure you take a look as you walk past! What minibeasts can you spot?

BEYOND THE GATE + ECO SCHOOLS

Potato Growing and Harvesting

Since February, every class in school has been nurturing and growing potatoes outside their classrooms.
The potato seeds were provided to the school from the "Grow your own potatoes" project (Grow Your Own Potatoes for Primary Schools in UK).
The classes have been enjoying watching their potatoes chit inside their classrooms, planting them out (deciding what they would plant them in) and watching them grow.

Robin class decided to grow theirs in an old washing basket! Other classes used potato growing sacks or making use of old Bags for Life (great reusing of resources!).

On Wednesday 30th June, the whole school gathered in their year groups to harvest the crop.
The children had great fun digging out their potatoes, and then we compared each class' outcomes with the following categories: biggest potato, unusually shaped potato, unusual container, heaviest potato, most potatoes!

Litter Picking Loan Equipment

For the rest of this term, each class will have the litter picking loan equipment for one week. During your class week, you may borrow one of the two sets for an evening or for the weekend and return it the next day. We hope that this will give more opportunities to borrow the equipment if you wish.
Please speak to your class teacher and they will provide you with a set of equipment and then return it the next morning to your class teacher.

Week beginning:
6th July - Woodpecker
13th July - Kingfisher

PTFA

Future of the PTFA – we still need a Chair

The current Chair and Treasurer will be stepping down in July as their children move on to junior school. We have been making parents and carers aware of these upcoming vacancies over the last few months in an effort to encourage volunteers to take on the roles. To date, nobody has stepped forward.

Following a successful presentation about the PTFA at the new Year R parents' evening on Tuesday, a prospective Year R parent signed up on the evening and agreed to take on the Treasurer role. We are extremely grateful for their support.

We now just have the Chair role to fill.

We're only **2 weeks** away from our Annual General Meeting (15th July), and we urgently need a volunteer to step into this essential role. Without a Chair **and a** Treasurer, the PTFA simply cannot continue — these positions are a legal requirement for us to operate.

We are a small, but dedicated team of just 6 committee members, and through strong teamwork and support from our wider school community, we've been able to deliver a fantastic range of events and fundraising activities for the 300+ children at our school.

However, we cannot do this alone.

If we're unable to fill the Chair role, it will unfortunately mean the end of the PTFA — and the events, experiences, and additional opportunities it provides for our children. Please take a few moments to view the short presentation that was created for and presented at the new Year R parents' evening this week. It provides an overview of the PTFA, the activities we organise, and how the funds we raise benefit the school and its pupils.

Could you help secure the future of the PTFA for your children?

Even if you're unsure, we'd love to have a chat and talk through what's involved — you won't be doing it alone. Please take a look at the Chair role advert further down this newsletter.

PTFA

On another positive, we're delighted to share that we have filled the vacant Secretary role (which has been vacant since March and responsibilities shared amongst the team). From September 2026, the lovely Alice Hayden will be taking this on. Thank you Alice! The current line-up of committee members for the 2026 – 2027 academic year looks like this:

Chair – Vacant
Treasurer – New Year R parent starting Sept 2026
Secretary – Alice Hayden
Uniform Lead – Kathryn Becher
Winter Warmer Lead – Charlotte Sanday
Sponsorship Lead – Donna Reynolds
Disco Leads – Louise Petch and Christine McDermid

We're immensely grateful to the new volunteers for joining the team, and also to the existing committee members staying in role for another year. However, we can't stress enough that if the Chair role isn't filled, the PTFA will cease to exist. Please really consider being part of this amazing team!

Please get in touch by emailing PTFA@tweseldown.hants.sch.uk or alternatively, you can complete this short form https://forms.cloud.microsoft/Pages/ResponsePage.aspx?id=G9GCsUStg0Cv85VzAlsixdG6PE6CmtBEnX7frk6V0d1UNlFINE5PODJHWThMT1gzMzBUV

Support and a full handover, including a detailed document will be provided.

Upcoming PTFA Events & Dates

9th July 2026 – School Disco

15th July 2026 – PTFA Annual General Meeting (AGM)

Fleet Carnival – entry withdrawn

Regrettably, we have made the difficult decision to withdraw our entry from the carnival this Saturday. We are very sorry for any disappointment this may cause, particularly for the children who were looking forward to taking part. We had very low participation uptake for this event, only 19 children out of the 300+ that attend the school.

With temperatures set to reach 28 degrees and sunny conditions, the procession timings – including an hour-long wait before hand – fall during the hottest part of the day. After careful consideration, the PTFA and the school have made this decision to prioritise the safety and wellbeing of our children, staff and volunteers. Parents/carers impacted were notified directly earlier this week. Thank you for your understanding. If you have any questions about this, please contact Mrs Tottem.

Year 2 Leavers Treat

The PTFA are planning a very special afternoon of fun for our Year 2 leavers on Monday 20th July! We have some fantastic activities lined up to celebrate them and their time at Tweseldown. Everything will remain top secret until the big day, but we can promise it's all inspired by the children's own ideas!

Leavers clothing

Exciting news – these have been handed out this week!
Children can wear them alongside their school uniform. Please remember to label all items with your child's name before use, as we will be unable to replace them.
Thank you for your support.

Tea Towels

The artwork is being collated into the tea towel design per class. Tea towels expected around 20th July, so watch this space.

Summer Disco – 9th July 2026

Our last disco of the school year will take place on Thursday 9th July. If you have already made the bundle payment of £12.50, you have already paid for the all discos for the academic year.

PTFA

If you haven't made a bundle payment but would like your child to attend the disco, please transfer £2.50 (per child) to the PTFA bank account, as per the details below:

Account name: **Tweseldown Infant School PTFA**
Account number: **27335060**
Sort code: **30-80-42**
*****Please ensure you put your child's name and current class as the reference. (First letter of child's name, surname, and the first 3 letters of their class is sufficient e.g. JBloggsKin = Joe Bloggs Kingfisher).*****

To enable this to run smoothly, we always need some lovely volunteers. If you can help on the day, please sign up to the volunteer sheet here:
https://volunteersignup.org/LMMPB

Safety notice – Lollipops
At the end of each disco, we offer lollipops to parents/carers as a little optional treat for their child. If you'd rather your child didn't have one, just let us know at the end of the disco —no problem at all.
Once you've collected it, we'd really appreciate your help in making sure it's enjoyed safely (for example, keeping an eye on little ones while they're eating and avoiding running around with it).
Thanks so much for your support.
