

	2025-26		2026-27		2027-28		
	YR/1	Y2	YR	Y1/2	YR	Y1	Y2
Autumn 1	Me & My School Seasons – Hot & Cold Longitudinal Study (seasons – what happens to certain animals in different seasons?)	Animals inc humans Longitudinal Study (life-cycles)	Why Questions Weather walk Materials Families (Similar and different) Weather Nursery Rhymes	UK Scientists (Y1 & Y2) Experiments Set up longitudinal study (trees)	Why Questions Weather Materials	Everyday materials	Animals inc humans Longitudinal Study (life-cycles)
Autumn 2	Whizzy Wheels Why Qs inc Materials (materials used to build vehicles in junk modelling for different purposes?)	Uses of everyday materials	Why Questions Nature (Seasonal changes and animals) 'Percy The Park Keeper' Hot & cold Weather walk	Great Fire of London Materials (Y1 & 2)	Why Questions Nature Hot & cold	Seasons Longitudinal study (trees)	Uses of everyday materials (Investigation based)
Spring 1	Getting to know you (people who help us) Longitudinal study (seasons – animals) Nature – Percy The Park Keeper	Longitudinal Study (life-cycles) Living things & Their habitats - Habitat mapping for sustainability project - Making bug hotels in different forms	Questioning Planting potatoes (Farmers; potatoes and watercress = local farms) Weather walk 'Percy The Park Keeper'	India (Delhi) Animals inc humans (Y1 & Y2) (Two plans) Which animals live in India?	Questioning Planting potatoes	Animals inc Humans	Longitudinal Study (life-cycles) Living things & Their habitats
Spring 2	Spring time Plants and planting (cress in eggs for Easter)	Scientists including David Attenborough ahead of his 100th Birthday	Ducks & Chicks, Sheep and Lambs Lifecycle of plants and caring for plants	Above the Clouds Plants (Y1 & Y2) (Two plans) Sunflowers	Lifecycles of animals – trip to the farm. Ducks & Chicks	Plants Longitudinal study (seasons - trees)	Scientists

			(Strawberries, Carrots)				
Summer 1	Faster than a rocket! Longitudinal study (seasons – animals) Different environments and how to look after them (including the moon/ space) Experiment about pollution? (Recycling and rubbish)	Plants (potatoes, sunflowers, other for planters)	Planting beans (Link to Fairy Tales) Enormous Turnip Weather walk	Let's Explore! Seasonal changes (trees) (Y1) (Two lessons re: changes and comparison of weather/tree data)	Planting beans Lifecycle of plants and caring for plants	Scientists	Plants – peas
Summer 2	What a wonderful world! Animals inc humans – Beach & rainforest trips – which animals live there?	Longitudinal Study (life-cycles)	Explore and compare different environments and how to look after them Weather walk Materials	Where's Wally? Living Things & Their Habitats (Y2)	Explore and compare different environments and how to look after them	Longitudinal study (seasons - trees)	Longitudinal Study (life-cycles)
