IMPORTANT INFORMATION

LITTER PICKING EQUIPMENT

Next week it is the turn of BADGER class to borrow the litter picking equipment. If you wish to borrow the sets of equipment for an evening or the weekend, please speak to Mrs Premier-Scaife.

SICKNESS AND DIARRHOEA

As a reminder to parents and carers, if your child has had sickness or diarrhoea, they are unable to return to school until 48 hours after the last bout. This is an NHS guideline to limit the spread of infection. Thank you for your cooperation.

BULB DONATIONS

As part of the KS1 (Year One and Two) Environmental Education and Nature lessons, we are hoping that each class will be able to make a "spring bulb lasagne" for outside their classrooms.

To be able to achieve this, we would appreciate donations of the following bulbs for each class:

Crocus

Snowdrops

Narcissus

Muscari (Grape Hyacinth)

Tulips

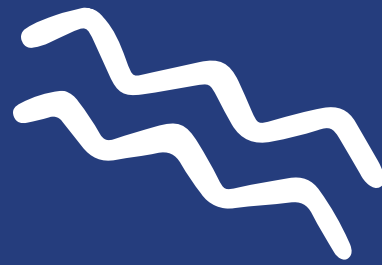

Daffodils

Alliums

We appreciate these are not cheap, so perhaps you could buddy up with another parent to buy a packet of one type. Please hand them to your class teacher or put them in the yellow Forest School donation box in the school entrance.

Donations needed by: Monday 12th October

IMPORTANT INFORMATION

RESOURCE PROVISION - DROP OFF

From Monday 12th October, please can we ask parents and carers who are dropping children to school and then waiting to drop off a child at Dragonfly class that you leave the year R area between this time. The area at the front of school would be an ideal waiting area, with a bench located there and shelter if it's bad weather. The gates will then be reopened at 9am for entry to Dragonfly class.

IMPORTANCE OF IMMUNISATIONS

Vaccination is the most important thing we can do to protect ourselves and our children against ill health. They are the most effective way to prevent many infectious diseases. Keeping up to date with vaccinations help protect your child.

PROSPECTIVE PARENT TOURS

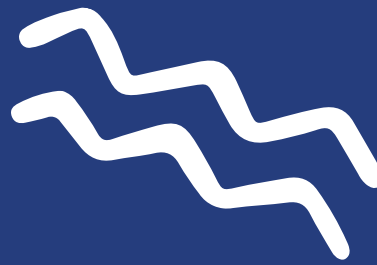

If you have a child starting school in September 2027 and would like to join us on one of our selected tour dates, please visit our website to book.

Applications open for Hampshire residents on **Sunday 1st November 2026** and will close on **Friday 15th January 2027**. Please visit www.hants.gov.uk/admissions for further information.

SCHOOL GOVERNOR VACANCY

Are you passionate about children's education? If you are enthusiastic and motivated to improve school standards, care deeply about the community we live in, and have a broad skillset that could support our governing board, we'd love to hear from you. We have two vacancies available for a Co-opted Governor. Please email us for an application form. adminoffice@tweseldown.hants.sch.uk

IMPORTANT INFORMATION

ASSEMBLY VISIT

If you are a professional that would like to come in and talk to the children at an assembly about what you do, we would love for you to join us and share your experiences. We welcome a variety of backgrounds and jobs. Please speak with your child's class teacher or talk to the office to arrange this.

FORCES FAMILIES - DEPLOYMENT PACK

If your child has a parent that has been or is due to be deployed, please talk to the office or your child's class teacher about our deployment pack. The pack includes two lovely bears, one for the parent to take with them on deployment and one for the child to keep at home with them.

YEAR 1 & 2 - PIZZA MAKING DAY

Year 1 & 2 will be making delicious pizza on Monday 12th October, Tuesday 13th October and Wednesday 14th October. If you are able to volunteer to help out with this activity, please speak to your class teacher or email us adminoffice@tweseldown.hants.sch.uk

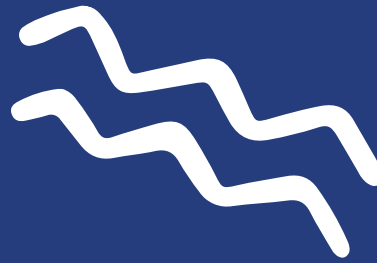

When helping, you would be with a member of staff and a small group of children, following a recipe to make dough before spreading on the tomato sauce and toppings.

PUPIL PHOTO DAY

On Thursday 15th October, it is photograph day! Our photographer will be in at 7:45am for children and older/younger sibling photos. If your child has an older or younger sibling and you wish for a photo of them together please come to the office between 7:45am and 8:20am. We will not be allowing families through after 8:20am.

If your child's siblings are all at Tweseldown Infant School, these photos will take place within the school day.

IMPORTANT INFORMATION

'HOW WE TEACH PHONICS AND READING' WORKSHOP

On Friday 16th October at 9am, we will be holding a workshop for parents and carers on 'how we teach phonics and reading'. We look forward to seeing you there.

COFFEE AND CONVERSATION

On Thursday 22nd October, Mrs Tottem will be holding a coffee and conversation at 2:30pm. Everyone is invited!

ATTENDANCE

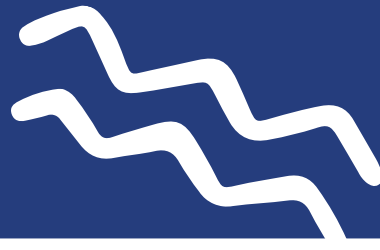

Last year our attendance rate was 97.2% which is a great achievement! Thank you for your co-operation to ensure each and every child is attending school consistently and receiving the education to enable them to learn and develop well. We hope that this years attendance is just as impressive!

FLU VACCINE

An email was sent out yesterday with a link for parents and carers to give permission for your child to receive the flu vaccine at school. If you have not done this already, please follow this link <https://www.hiowhealthcareimmunisations.co.uk/Forms/Flu?schoolcode=SH116020>

This vaccination is given in school but only if we receive prior permission. Thank you.

RECEPTION

This week we have continued our learning on families by looking at the book: 'The Large Family'. The children have enjoyed discussing the story and developing their understanding of family relationships. We have practised sequencing the story, thinking carefully about what happened at the beginning, middle and end. We have also been labelling different family members, using our phonics knowledge to help us hear and write sounds.

The children have worked hard to create special pictures for their adults, which are now ready to be posted home. Please remember to give your child's stamped envelope to their adult as soon as possible.

In phonics, we have been learning new sounds and practising both segmenting and blending.

- Segmenting is when children break a word down into individual sounds (e.g. c-a-t).
- Blending is when children push those sounds together to read the word (e.g. c-a-t = cat).

The children have worked incredibly hard to apply these skills when reading and writing.

We have also started guided reading sessions. Your child's reading book will be coming home for the week. Please try to read with your child regularly and talk about the story together. Repeated reading helps children build their confidence, fluency and understanding of the text. Please can the wallets stay in the children's book bags as we will put any sounds or letters in these.

In maths, we have been focusing on careful counting. The children have been learning the importance of touching or moving each object as they count, saying one number for each item and checking that they do not count any objects more than once. This helps children develop accurate counting skills and a secure understanding of number.

Our local walk to the post box will take place on:

- Hedgehog Class: Monday 12th
- Mouse Class: Tuesday 13th
- Squirrel Class: Wednesday 14th

If you would like to help out, please speak to your child's class teacher. We will be leaving at 9am and should be back to school by 9:45am.

YEAR 1 + 2

What a fantastic and busy week we have had in KS1!

In Maths, Year 1 have been exploring the composition of numbers to 5, using practical activities to investigate how numbers can be made in different ways. Year 2 have been developing their understanding of place value and number facts, building confidence in recognising, comparing and working with numbers.

Our English learning has continued through our exciting pizza-themed topic. The children have enjoyed creating pizza menus, designing their own pizzas, discussing their favourite toppings, and learning how to write recipes and ingredient lists. We also explored some fascinating facts about pizzas from around the world and debated the important question: Does pineapple belong on a pizza? The children had some very strong opinions!

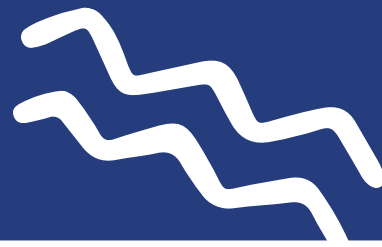

In Geography, we have been learning about the weather in the UK and what happens when weather becomes extreme. The children worked collaboratively to sort and discuss seasonal photographs, identify key features of each season and develop their geographical vocabulary. We have particularly enjoyed exploring the signs of autumn and discussing how our local environment changes throughout the year. We have also sent our Autumn Walk Homework Project and are looking forward to seeing the wonderful photographs, drawings, crafts and collections the children bring in to share with their classmates.

In Science, the children learnt about the famous inventor and artist Leonardo da Vinci. We explored his early ideas about flight and discovered how inventors throughout history have been inspired by nature. To investigate this further, the children created and tested paper spinners, which replicated the movement of a helicopter rotor. They enjoyed making predictions, observing what happened and discussing how changing the design affected how the spinner travelled through the air.

In Music, we continued learning the song 'The King is in the Castle'. The children have been developing their singing skills and enjoyed creating their own imaginative versions by changing the characters within the song.

In PE, the children have been practising their fundamental movement skills outdoors and taking part in yoga sessions to improve their balance, flexibility and wellbeing.

YEAR 1 + 2

Alongside this, we have been reinforcing the importance of good hygiene and handwashing, linking this to our learning across the curriculum.

Finally, thank you for your continued support with reading, spellings and homework. The children love sharing their learning from home, and we always appreciate the time and effort you put into supporting them. We look forward to seeing the fantastic Autumn Walk projects over the coming weeks!

Willow Fencing Installation

There are still a few panels of willow fencing which need installing in Beyond the Gate. If you are able to help one Wednesday or Friday after drop off or after school, please contact Mrs Dear on: beyondthegate@tweseldown.hants.sch.uk

ECO SCHOOLS

Eco Committee

Last week our new Eco Committee helped fill up the bird feeders in BtG and learnt how to water all the newer trees on our field, including the apple trees. They have agreed that this is a regular job they will do at the start of their BtG sessions, when needed. They also shared their brilliant ideas for how we could improve things in our school, including creating more minibeast habitats, having a living roof and growing vegetables.

Gardening

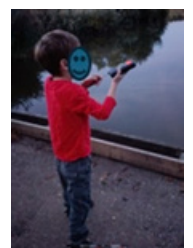

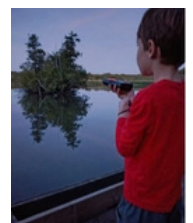

We have recently started a gardening club and are looking for a team of volunteers to help with this and gardening tasks around the school. This could be on a regular basis or an adhoc basis throughout the year. Enhanced DBS is required. Please let us know if you are interested in helping us and the children.

RSPB Wildlife Explorers Club

RSPB Bat Walk

Our local RSPB Wildlife Explorers organised a brilliant bat walk on Friday, and two of our pupils (who are also members of the Eco Committee) attended the event. They were led by an expert who helped them identify bats, showed them a real bat and taught them how to use bat detectors!

Mrs Dear was thrilled to receive these photos. What a great opportunity.

ECO SCHOOLS

Their next events are:

RSPB AUTUMN FAYRE - SATURDAY 17TH October 10:30am - 3pm

Southwood Community Centre, Links Way GU14 0NA

A lovely family friendly Autumn Fayre with lots of different stalls and activities- including a stall by members of our Eco Committee, selling items made by our very own children!

FABULOUS FUNGI FORAY - SUNDAY 18th OCTOBER AT 2 PM

Meet at the car park of BASINGBOURNE PARK CHURCH CROOKHAM (end of Basingbourne Road, GU52 6TQ).

Learn all about fungi! Mrs Dear is planning to attend this event.

VOLUNTEERING AT BEYOND THE GATE FAQ'S

I don't know how to sign up to volunteer

Please visit

<https://volunteersignup.org/9MM99>

to sign up for this half-term's sessions.

I would love to help, but I am not available during my child's session

That's absolutely fine. You are welcome to volunteer with any class or year group that fits your availability.

I would love to help, but my child is not having sessions this half term

You are still very welcome to volunteer with another class or year group.

I do not know what activities take place

Please visit the BTG Blog on the website or pop into the office to browse the floor book, which showcases the children's activities and learning.

How long is a volunteering session?

We ask you to volunteer for 1 hour 45 minutes per session, which includes 15 minutes per session briefing with Mrs Dear.

I would love to volunteer, but I am not available every week

Not a problem, you can sign up for one session or more and we welcome volunteers on an adhoc or regular basis.

I do not have a DBS for Tweseldown

We require all volunteers to hold a valid enhanced DBS certificate. We can accept certificates from a different organisation. You will need to show the office your paper copy when you first volunteer in the school. If you do not have this, the school can support you in applying for a DBS check — please speak to the office.

What is involved in volunteering for BTG?

You may be asked to assist with a specific activity, monitor a particular area, or join in with the children's play and discoveries. Mrs Dear will fully brief and support you.

Any more questions - please ask your class teacher or Mrs Dear

School Age Immunisation Service - Parent Newsletter

Annual Flu Vaccination Programme

All children are eligible to receive the flu vaccine. Parents and carers are sent a link to the online consent form between September and November, ahead of the school vaccination session.

The vaccine is usually given as a nasal spray. For children who cannot have the nasal spray due to medical or religious reasons, a porcine-free injectable vaccine is available. Details about how to request this are included on the electronic consent form.

Why should I get my child vaccinated? Flu is a highly infectious illness that children can catch and spread easily. For many children, flu can be very unpleasant and may lead to complications such as ear infections, bronchitis, or pneumonia. In some cases, it can result in serious illness requiring hospital treatment.

Vaccinating your child not only helps protect them from flu but also reduces the spread of the virus to others who may be more vulnerable to serious illness, including babies, pregnant women, older adults, and those with long-term health conditions.

What if my child misses their school vaccination session? If you provide consent for your child to receive the flu vaccine and they are absent on the day of the school session, you will automatically receive an email inviting you to book an appointment at a local community clinic, ensuring your child still has the opportunity to be vaccinated.

It's not too late to complete the consent form. Even if your child's school vaccination session has already taken place, submitting a form now will allow you to book an appointment at a local community clinic.

For contact details and further information about the School Aged Immunisation Service and the vaccination programmes offered, please visit:

Get protected against flu

FLU: 5 REASONS TO GET PROTECTED AGAINST FLU

1. Protect your child - The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
2. Protect you, your family and friends - Having the vaccine will help protect more vulnerable friends and family.
3. No injection needed - The nasal spray is painless and easy to have.
4. It's better than having flu - The nasal spray helps protect against flu and has been given to millions worldwide.
5. Avoid costs - If your child gets flu, you may have to take time off work or arrange alternative childcare.

The Immunisation team will be coming to the school to administer the flu nasal spray* to the students on:
