

## PE Sports Funding Grant

---

### Vision Statement 2018-19

- All children will access a high quality, physically demanding and challenging education programme, delivered by teachers and Coaches (Planet Soccer), which underpin lifelong participation.
- Teaching and Learning will be progressive and regularly assessed to ensure that all children develop competence and confidence through a broad range of activities thus having the skills to lead a healthy and active lifestyle.
- Pupils learn physical, social, thinking skills to support collaboration and communication with their peers and apply these throughout life.
- Within our curriculum all pupils will experience competition to demonstrate and celebrate personal achievements.
- Year 1 children will work with children from Crookham Infant School, using the School Games framework, competing in mixed school groups.
- Our extra curricular clubs, led by appropriately qualified coaches, are offered to every child and continues to extend and reinforce generic skill development
- Playtime provision will develop leadership and ownership whilst continuing to allow pupils to have the opportunity to become more physically active for example Trail Blazers activities at lunchtimes.

Total money received £18,350

Carry forward from 2017-2018 £2,428
