

Maths

- Make your own White Rabbit pocket watch. Can you make the hands show half past three? What time would it be an hour before? Now make the hands on your pocket watch show nine o'clock. What will the time be half an hour after that time?
- Mad Hatter Maths challenge: how many different ways can you make ten by adding two numbers together?
- Can you make your own set of playing cards? You can then use your cards to make addition and subtraction number sentences. How many different number sentences can you make with the same set of cards?
- Collect bottles from around your home. Can you put them in order of how much liquid you think they will hold? Ask a grown-up to help you read the measurements to see if your predictions were right!
- Design and make a wonderland version of snakes and ladders...perhaps caterpillars and rabbit holes? You can try typing in 'blank board game' to give you a template on twinkl.co.uk

Art

- Draw or paint your favourite character from the story. Can you write some adjectives around them to describe your character too?
- Can you make a new outfit for Alice or the Mad Hatter? Where will they be wearing their new outfit to? Is it suitable to go and visit the Queen of Hearts in her palace?
- Make your own wonderland bookmark and then choose a book to go and read out in the sunshine just like Alice. Don't forget to take your bookmark with you!

English

- Read or listen to a child friendly version of Alice in Wonderland. Try this one: <https://www.youtube.com/watch?v=m6FG2a-BRGA>
- Write down the names of all the characters from the story. Ask a grown up to check your spellings are correct. You could use sound buttons to help you.
- Pretend you are Alice and you fall down the rabbit hole. Draw a picture of what items you will see floating around you as you fall. Can you label these items? Can you write an adjective to describe these items?
- The White Rabbit would like to know if you would follow him down the rabbit hole! Write a few sentences telling him why or why not.
- What questions would you like to ask the Queen of Hearts? Can you write them down in heart shapes using a question mark? You could choose another character and shape if you would like.

Physical

- If you like Cosmic Yoga they have an Alice in Wonderland story version: <https://www.youtube.com/watch?v=u8sEfrXRuAw>
- How many bunny hops can you do in one minute? Can you do your bunny hops at different levels (high or low)? What about setting up a bunny hop race, just like a sack race but without the sacks!
- Can you make yourself a White Rabbit obstacle course? Make sure you have lots of things to hop over. How long does it take for you to complete the course? Can you do it backwards?
- Have a look out for creepy crawlies on your family walks. Which ones could live in wonderland?

Design and Technology

- Design a sandwich to have at the Mad Hatter tea party.
- Write a list of ingredients you will need for your sandwich.
- Make a 'how to' video and upload it to Tapestry showing us you making your sandwich. Don't forget to talk us through the instructions whilst you are making it!
- The Mad Hatter loves to drink tea. Ask a grown-up to help you make a cup of tea for them. Be careful of the hot water!
- Use items from around your home and any paper crafting materials to make your own Mad Hatter party hat.
- Use sheets of paper to design and make your own Mad Hatter party tablecloth or placements.

Year 1 Home Learning Alice in Wonderland - Week 9

Colour in a rabbit when you have completed an activity. Can you colour all 23 of them?
